## pinot gris

TALKING POINTS

- WINE STYLE IS FRESH, VIBRANT, DRY, DELICATE, AND CRISP
- A CLEAN, COOL CLIMATE PINOT GRIS; NOT THE WARMER CLIMATE FRUITY STYLE
- VINEYARD BOASTS COOL CLIMATE, BACKED BY AN EXTENDED GROWING SEASON; YIELDS ARE TYPICALLY BELOW AVERAGE
- BERRIES ARE PICKED AT EARLY MATURATION TO PRESERVE FRESHNESS, ACIDITY AND FLAVOR
- SHOWS VIBRANT MINERALITY; TROPICAL AND STONE FRUITS JUMP FROM THE GLASS, BUT ARE WELL BALANCED BY A BIT OF LEMON AND A NICE ACID BACKBONE
- PINOT GRIS/GRIGIO IS A HOT CATEGORY
